

From the Salt Lake City airport, follow I-80 East to I-15 South, follow I-15 for a few miles and watch for the I-80 East signs again. Take I-80 East again for a while and follow it up a canyon. The top of the pass is Parley's Summit – continue on I-80 and exit at Kimball Junction/Park City. Turn right and follow Highway 224 about 5 miles to Park City. Watch signs for Deer Valley Drive and turn left at that light. Follow the road through the next light and you'll come to a roundabout. Circle 1/2 way around and continue on Deer Valley Drive. At the top of the hill where the view opens up, Deer Valley Drive splits – turn left on Deer Valley Drive North, just before the bridge. Continue on Deer Valley Drive North and turn left on Solamere Drive. At the top of the first short hill, glance left and you'll see the house. Continue on until there's a break in the median and make a U-turn and come back to the house.
